

February 2018

Dear Plymouth-Canton Business Owner:

On behalf of contributing members from the Plymouth Community Chamber of Commerce and the Canton Chamber of Commerce we would like to reward up to four Plymouth/Canton students with Student Citizenship Award Scholarships and we need your help!

These scholarships will be based on community service only, not grade point. There will be a selection committee who will pick the four students who are seniors from the Plymouth-Canton High Schools and/or a non P-CCS student who lives in the district.

We are asking our members to contribute to the fund that will provide each student who is selected a scholarship in the amount of \$1,000. **One-hundred percent of the funds raised will go to these scholarships.** If additional funds beyond \$4000 are raised we may provide an additional scholarship or reward larger scholarships to our recipients. We already have raised \$820 from contributions by families who visited the Santa House in Plymouth this Holiday season. Now it is up to us to reward students for leadership and involvement in our community through donating to the scholarship fund. **All donations are tax deductible and a receipt will be provided** via email.

As a contributor, **your company** will receive recognition on the Chamber website, and in the Chamber E-Newz.

Deadline for donations is April 13. We hope you will please help support the future leaders of our community with a donation to fund these scholarships. Thank you for considering our request.
