On behalf of contributing members from the Plymouth Community Chamber of Commerce and the Canton Chamber of Commerce, we would like to reward up to four Plymouth/Canton students with Student Citizenship Award Scholarships, and we need your help!

These scholarships will be based on community service **only**, not grade point. There will be a selection committee that will pick four students who are seniors from the Plymouth-Canton High Schools or a non-P-CCS student who lives in the district.

We are asking our members to contribute to the fund that will provide each student selected a scholarship for \$1,000. **One-hundred percent of the funds raised will go to these scholarships.** If we raise more than \$4000, we will reward larger scholarships to our recipients. We already have raised \$885 from contributions by families who visited the Santa House in Plymouth this Holiday season. Now it is up to us to reward students for leadership and involvement in our community through donating to the scholarship fund. **All donations are tax-deductible, and contributors will receive a receipt.**

As a contributor, **your company** will receive recognition on the Plymouth Community Chamber website.

The deadline for donations is April 17, 2020. We hope you will please help support the future leaders of our community with a donation to fund these scholarships. Thank you for considering our request.
